Wednesday, April 7	1PM – 4PM (Pfizer)
Thursday, April 8	9AM – 4PM (Pfizer)
Friday, April 9	9AM – 4PM (Pfizer)

Ochsner is proud to now offer the three vaccine types approved by the FDA for emergency use authorization (EUA). The type of vaccine available at each site is dependent upon supply.

To schedule your appointment, please call **844-888-2772** or visit **My.Ochsner.org.**

When scheduling through My.Ochsner.org, choose **"Visits"** then **"Schedule an Appointment"** and select the **"COVID-19 Vaccine"** tile. You will be asked to choose a vaccine type and if you do not find an appointment date and time with your choice of vaccine type, please try again by selecting a different vaccine type.

COVID-19 vaccine appointments are available now online through the MyOchsner online patient portal or by calling 844-888-2772. Phone lines are open from 8 a.m. - 5 p.m. Appointments are required. You do not need to be a past or existing patient of Ochsner to receive the vaccine at this event or any of our vaccination sites.

To date, Ochsner has administered more than 220,000 vaccine doses, more than any other healthcare provider in Louisiana. To learn more about Ochsner's vaccine efforts, please visit ochsner.org/vaccine.

When can I call or check MyOchsner to book my appointment?
- Appointments are now available.
- We encourage you to sign up quickly as availability is limited.

If applicable, when will my second dose be scheduled?
- Patients receiving Pfizer or Moderna vaccines will schedule their first dose via MyOchsner or by calling 844-888-2772. **Your second dose is guaranteed**. Ochsner will notify you of the exact date and time of your second dose appointment via text and email within 24 hours of when your first dose is administered.

What should I bring?
Photo ID and insurance cards are not required but will speed up the registration process if you bring them along. If you are a teacher or healthcare worker, please bring your employee ID.

How long do these appointments take?
- Usually, patients are finished in about 25 minutes, including the 15-minute monitoring period following their vaccination.
- To make the process as quick as possible, we encourage you to complete your registration online in advance following the instructions sent to you upon booking your appointment.

Are other dates and vaccine appointments available?
- Ochsner continues to vaccinate community members across the state in our facilities and at community locations.
- We encourage community members to continue checking availability as new appointments across our system become available each week.

###

About Ochsner Health

*Ochsner Health is a system that delivers health to the people of Louisiana, Mississippi and the Gulf South with a mission to **Serve, Heal, Lead, Educate and Innovate**. Ochsner Health is a not-for-profit committed to giving back to the communities it serves through preventative screenings, health and wellness resources and partnerships with innovative organizations that share our vision. Ochsner Health healed more than 876,000 people from across the globe in 2019, providing the latest medical breakthroughs and therapies, including digital medicine for chronic conditions and telehealth specialty services. Ochsner Health is a national leader, named the top hospital in Louisiana and a top children's hospital by U.S. News & World Report. As Louisiana's leading healthcare educator, Ochsner Health and its partners educate thousands of healthcare professionals annually. Ochsner Health is innovating healthcare by investing in new technologies and research to make world-class care more accessible, affordable, convenient and effective. Ochsner's team of more than 26,000 employees and 4,500 providers are working to reinvent the future of health and wellness in the region.
