**Foundation for Terrebonne General's 13<sup>th</sup> Annual The Rooftop  
presented by Hancock Whitney**

**Houma, LA** – The Foundation for Terrebonne General Health System (“Foundation”) is hosting its 13<sup>th</sup> annual The Rooftop fundraiser presented by Hancock Whitney, on Thursday, October 2, at 6:00 p.m. atop the Terrebonne General Parking Garage.

Enjoy delicious food and spirits from local restaurants while experiencing a unique view of downtown Houma during sunset. This year's theme is “Under the Stars,” which will feature fun games like the all-new “Rooftop High Rollers,” “Reach for a Star,” “Pick a Star,” and “Catch a Star” while listening to great music by this year's band, We & Mrs. Jones.

All proceeds from this event support the mission of the Foundation, which is to improve the health and well-being of the people in South Louisiana. The Foundation helps fund many initiatives in our community, such as:

- The Mobile CARE clinic provides wellness education and free health screenings to the public.
- Newborn babies and families through the NICU at Terrebonne General.
- Terrebonne Parish schools, students, student-athletes, and coaches.
- Supports patients in need, social services, and community outreach programs for Terrebonne General.

Tickets are just \$65 and can be purchased at [The Rooftop 2025](#). Sponsorships are available by calling 985-873-4603 or by emailing [foundation@tghealthsystem.com](mailto:foundation@tghealthsystem.com).

We hope to see you there!

### **About Terrebonne General Health System**

*Terrebonne General Health System is the largest healthcare resource provider in southeast Louisiana that has taken the lead to deliver medical excellence and innovation to the people of Southeast Louisiana. Driven by a "high tech" and "high touch" style of healing that offers an expansive range of services that provide hospital care and preventive care while also providing basic healthcare needs on and offsite. Our highly skilled healthcare team consists of over 1,600 employees, with over 450 medical staff providers that offer 42 various specialties. Our system has been honored with many prestigious awards and accolades for quality, safety, and patient experience on the state, national and international levels. Terrebonne General took the lead to initiate a public/private partnership with Ochsner Health which delivers crucial safety-net services for the region through Chabert Medical Center and is part of an alliance of healthcare-focused entities across the greater Gulf South region.
