**Foundation for Terrebonne General's 14th Annual The Rooftop
Presented by Hancock Whitney**

Houma, LA – The Foundation for Terrebonne General Health System (“Foundation”) is hosting its 14th annual The Rooftop fundraiser presented by Hancock Whitney on Thursday, October 1, at 6:00 p.m. atop the Terrebonne General Parking Garage.

Enjoy delicious food and spirits from local restaurants while taking in a unique sunset view of downtown Houma. This year's theme is “Swamp Pop on the Rooftop,” which will feature fun games like “The Oyster Shack,” “Pumpkin Throwdown,” “Fish Fly or Flop,” and “Stir ‘Da Roux” along with a silent auction and Makin’ Groceries Half and Half sponsored by Cannata’s while listening to great music by Rockin’ Dopsie, Jr.

All proceeds from this event support the Foundation's mission to improve the health and well-being of people in South Louisiana. The Foundation helps fund many initiatives in our community, such as:

- The Mobile CARE clinic, which provides wellness education and free health screenings to the public.
- Newborn babies and families through the Neonatal Intensive Care Unit (NICU) at Terrebonne General.
- Terrebonne Parish schools, students, student-athletes, and coaches.
- Supports patients in need, social services, and community outreach programs for Terrebonne General.

Tickets are just \$65 and can be purchased at [The Rooftop 2026](#). Sponsorships are available by calling 985-873-4603 or by emailing foundation@tghealthsystem.com.

We hope to see you there!

About Terrebonne General Health System

Terrebonne General Health System is the largest healthcare resource provider in southeast Louisiana that has taken the lead to deliver medical excellence and innovation to the people of Southeast Louisiana. Driven by a "high tech" and "high touch" style of healing that offers an expansive range of services that provide hospital care and preventive care while also providing basic healthcare needs on and offsite. Our highly skilled healthcare team consists of over 1,600 employees, with over 450 medical staff providers that offer 42 various specialties. Our system has been honored with many prestigious awards and accolades for quality, safety, and patient experience on the state, national and international levels. Terrebonne General took the lead to initiate a public/private partnership with Ochsner Health which delivers crucial safety-net services for the region through Chabert Medical Center and is part of an alliance of healthcare-focused entities across the greater Gulf South region.
