Terrebonne General Health System Announces Gastroenterology Center of the South is now Terrebonne General Gastroenterology Care

HOUMA, LA - Terrebonne General Health System proudly announces that Gastroenterology Center of the South is now operating under a new name: **Terrebonne General Gastroenterology Care**. While the clinic's name has changed, its location, staff, and unwavering commitment to exceptional patient care remain unchanged.

Located in the Terrebonne General Medical Atrium at **8120 Main Street, Suite 200, Houma, LA 70360**, Terrebonne General Gastroenterology Care continues to provide trusted, high-quality digestive services to the community, led by experienced gastroenterologist Dr. David C. Pellegrin.

"This transition represents an exciting opportunity to further strengthen digestive health services in our region," said Phyllis Peoples, President and CEO of Terrebonne General Health System. "Patients will continue to receive the trusted, high-quality care they have come to expect, but now with the added support and resources of Terrebonne General."

All existing appointments and services will continue without interruption, and no action is required from patients due to the name change.

For more information or to schedule an appointment, visit tghealthsystem.com or call 985-851-5206.

###

About Terrebonne General Health System

Terrebonne General Health System is the largest healthcare resource provider in southeast Louisiana that has taken the lead to deliver medical excellence and innovation to the people of Southeast Louisiana. Driven by a "high tech" and "high touch" style of healing that offers an expansive range of services that provide hospital care and preventive care while also providing basic healthcare needs on and offsite. Our highly skilled healthcare team consists of over 1,600 employees, with over 450 medical staff providers that offer 42 various specialties. Our system has been honored with many prestigious awards and accolades for quality, safety, and patient experience on the state, national and international levels. Terrebonne General took the lead to

initiate a public/private partnership with Ochsner Health which delivers crucial safety-net services for the region through Chabert Medical Center and is part of an alliance of healthcare-focused entities across the greater Gulf South region.
