Terrebonne General Health System Welcomes Dr. Christopher Merrill, Hospital Medicine Physician, to Its Esteemed Medical Staff

HOUMA, LA –Terrebonne General Health System is proud to announce the addition of Dr. Christopher Merrill, Hospital Medicine Physician, to its esteemed medical staff.

Dr. Christopher Merrill, graduated from the University of Southern Mississippi in Hattiesburg, MS, where he received his Bachelor of Science degree in Nursing and then went on to the University of New Orleans for Pre-Medicine. He earned his Doctor of Medicine degree from LSU Health Science Center in New Orleans, Louisiana.

Dr. Merrill is board-certified in Internal Medicine and will join the Hospital Medicine group at Terrebonne General, where he will care for our inpatients during their hospital visit.

“We are pleased to welcome Dr. Merrill to our Hospital Medicine team,” said Phyllis Peoples, President and CEO. “His expertise and commitment to patient-centered care will be a valuable addition to our medical staff. We look forward to the experience and compassionate care he will bring to our patients, families and community.”

###

About Terrebonne General Health System

Terrebonne General Health System is the largest healthcare resource provider in southeast Louisiana that has taken the lead to deliver medical excellence and innovation to the people of Southeast Louisiana. Driven by a “high tech” and “high touch” style of healing that offers an expansive range of services that provide hospital care and preventive care while also providing basic healthcare needs on and offsite. Our highly skilled healthcare team consists of over 1,600 employees, with over 450 medical staff providers that offer 42 various specialties. Our system has been honored with many prestigious awards and accolades for quality, safety, and patient experience on the state, national and international levels. Terrebonne General took the lead to initiate a public/private partnership with Ochsner Health which delivers crucial safety-net services for the region through Chabert Medical Center and is part of an alliance of healthcare-

focused entities across the greater Gulf South region. For more information, please visit www.tghealthsystem.com and follow us on Facebook, Twitter, and Instagram.
