Lafourche Parish Government to Host a Dedication and Ribbon Cutting Ceremony for the New Larry Dominique Memorial Boat Launch

LAFOURCHE PARISH – Please join Lafourche Parish Government for the dedication and ribbon cutting ceremony for the new Larry Dominique Memorial Boat Launch at 10:00 AM on Monday, November 16, 2026. The address for the ceremony is the Larry Dominique Memorial Boat Launch (formerly known as Delta Farm Boat Launch), located at 135 Mercer Road, Larose, LA 70373.

The new and improved boat launch is in memory of Mr. Larry Dominique, who owned a boat engine repair shop and used this launch regularly. Mr. Dominique tragically lost his life in May 2025 during a boat accident near this launch. Lafourche Parish Government passed Ordinance NO. 7045, officially renaming the launch to the Larry Dominique Memorial Boat Launch. Improvements made during this project, which totaled $451,072.75, include construction of a concrete boat launch, improved parking areas for vehicles and boat trailers, site drainage improvements, roadway access enhancements, shoreline stabilization, new lighting, new signage, and ADA-accessible features. Additional amenities for this project include improved docking areas for loading and unloading vessels, waste receptacles, landscaping, and informational signage to improve user experience and site safety. Planning efforts focused on evaluating existing site conditions, community needs, waterway access demands, environmental considerations, and long-term maintenance requirements.

Thank you to all who contributed to this project, especially our funding partners, the Louisiana Department of Wildlife and Fisheries through the Federal Wallop-Breaux Sport Fish Restoration Program, and the Greater Lafourche Port Commission. Special thanks to Picciola & Associates, Inc., which was the selected engineering firm, and Outer Limit Contractors, LLC, for constructing the new boat launch. We want to also thank the citizens of Lafourche Parish for their patience during construction of the improved boat launch.

Mitch Orgeron — Parish President
